3. Amendment of Article VII of the Articles of Incorporation to increase the authorized capital stock from P6.64 Billion to P9.00 Billion

The Chairman said that the Board is recommending that the stockholders approve the increase in the Corporation's authorized capital stock from P6.64 Billion to P9.00 Billion and to amend Article VII of our Articles of Incorporation accordingly. We need to raise capital to fund our exploration and development projects, to settle liabilities, and for working capital. We cannot raise capital within the present authorized capital stock as it is practically fully subscribed already. The Chairman then asked the Asst. Corporate Secretary to read the proposed resolution, as follows:

RESOLVED, as it is hereby resolved, that, the stockholders of Lepanto Consolidated Mining Company ("Corporation") approve the increase in the Authorized Capital Stock of the Corporation from PESOS: SIX BILLION SIX HUNDRED FORTY MILLION (P6,640,000,000) to PESOS: NINE BILLION (P9,000,000,000) and for this purpose, the amendment of the first paragraph of Article Seventh of the Articles of Incorporation to read:

Seventh: –That the capital stock of said corporation is NINE BILLION PESOS (P9,000,000,000.00), Philippine Currency, and said capital stock is divided into FIFTY-FOUR BILLION (54,000,000,000) shares of Class "A" Common Stock and THIRTY-SIX BILLION (36,000,000,000) shares of Class "B" Common Stock, both classes of shares being of the par value of Ten Centavos (P0.10) each. All shares of stock of the corporation shall enjoy the same rights and privileges except only as herein otherwise provided. The shares of capital stock of this corporation may be issued from time to time for not less than par; and all issued shares of the capital stock of this corporation shall be deemed fully paid and non-assessable and the holder of such shares shall not be liable thereunder to this corporation or its creditors.

RESOLVED, FURTHER, That the stockholders authorize the Board of Directors to take appropriate steps and means to support the increase in the authorized capital stock.

The Corporate Secretary informed the body that this resolution for the amendment of the Articles of Incorporation requires the vote of stockholders representing 2/3 or 66.67% of the outstanding capital. A tabulation of the votes cast online and the proxies submitted for this meeting shows that the votes in favor of the resolution total 49,864,479,419, or 75.15% of the outstanding capital of the Company.

The Secretary then advised that the Proxy submitted by Standard Chartered indicates that the entire 2,150,000 shares represented by the proxies are not in favor of the resolution to amend Article VII of the Articles of Incorporation.

The Chairman thus declared that the resolution to amend Article VII of the Articles of Incorporation is therefore approved.

4. Adjournment

There being no further business to transact, the meeting was thereupon adjourned.
